There's lots of different stuff in here
Maybe the whale swallowed the island whole
Thud
I just want to relax and take it easy
Man I'm really beat.
I want to try
Hey Wile
Wow
Thunk

You've been well, I take it?

That's great
Because I've become

Mom

You shouldn't sound that out
We don't need any tooth grass
Wife
Mom, are you still worried about me?
Look, I'm fine See?
Mom's the same vague, chronic worrier she's always been

I'm going to guide a whale around!
I'm your successor!
I could handle it on my own
You did something with the whale's and my dream?
Mom!
Whale
what's this whale's name!?
Please mom,
Because it is under your control, mom!
LIVE
It seems very fine
Wile

Let's go have some sushi.

Huh?

Thud
Su...
You can't just follow me around as you please, materialize, and say whatever you want
I'll take you up on that!
Sounds good!
I'll kill you-
Where's your body?
Oh no
Let's all go together
Wile, I'm glad to see that you have so many friends.

But I caught an ultra-cold so I can't go.
Mom, I'm sorry
Just next moment, I m here.
It was so warm!
So after that, the hole closed up and I was surrounded by whale meat

Let's go!
Alright then!

Please don't do anything irrational.
Sorry, that's a lie.
